Compensation pension. Art 296 does not apply to this case:

As regards his request that he may be granted combined leave to enable him to earn the maximum amount of pension admissible in that appointment, it has to be noted that a compliance with his request will frustrate the object with which the retrenchment was proposed & sanctioned. Though the cost to Govt may immediately, be nearly equivalent to the amount of pension charges, still the fact that Govt will have to bear increased pension charges in the future, to the extent that the leave will enhance the amount of pension admissible, cannot be overlooked. However it is not found feasible to continue the post with the incumbent on leave, solely with a view to enable him to draw higher pension

For obvious reasons, his request to employ him in any capacity till he reaches the superannuation age, is also not a feasible proposition

His representation that he may be granted for matter privilege leave & a pension of Rs 350 on the expiry of the leave, is not supported by the existing rules. As the appointment has been abolished & the officer retains no lien on any appointment, the question of privilege leave does not arise. The grounds urged for a special pension are also not convincing. As it is, if 25 out of 24 years of service which he has put in, is qualifying, he will be entitled to a pension of Rs 338. As the difference between the amount claimed & the amount admissible

If Mr. Sethna's appointment had not been abolished or he had been permitted to serve in any other capacity till he was superannuated, he would have been entitled to a pension of Rs 35 p.m. At present he is entitled to a pension of Rs 338 p.m. only. Taking all circumstances into consideration I am of opinion that his pension may be fixed at Rs 350 p.m. As regards leave, I think, financial view has to prevail

Final Note by the First Member of Council.

Subject:—

Representation of Mr. A.T. Setlur, Inspector of Explosives, now under orders of retirement.

On the recommendation of the Special Finance Committee, the appointment of Inspector of Explosives in Mysore was directed to be abolished, Mr. A.T. Setlur, the present holder of the appointment, being retired on a compensation pension. (Vide Government Order No.I.C.6306-66/Geol.88-21-1 dated 27th June 1922).

2. Mr. Setlur has made a representation that the above order of Government entails considerable hardship in his case and prays that he may be granted a pension of Rs.350/- per mensem, on the expiry of the privilege leave he is entitled to, or that he may be granted two years combined leave to enable him to earn the maximum amount of pension admissible to him under the rules.

3. The Financial Secretary is of the opinion that the cases of thrown out officers require considerate treatment and, if only a few rupees are wanting to make up Rs.350/-, Mr. Setlur's request for a higher pension than what he is entitled to strictly under the rules, may be considered favourably. As regards Mr. Setlur's request for the grant of combined leave, the Financial Secretary states that the grant of leave of any kind to an officer whose appointment is abolished is not right as he cannot have a lien on an appointment which has ceased to exist.

4. When the papers came up before me, I recorded the following minute:-

"If Mr. Setlur's appointment had not been abolished or he had been permitted to serve in any other capacity till he was superannuated, he would have been entitled to a pension of Rs.350/- per mensem. At present he is entitled, I see, to a pension of Rs.338/- per mensem only. Taking all circumstances into consideration, I am of opinion that his pension may be fixed at Rs.350/- per mensem. As

Through

R. Bocquet, Esquire, J.P.,
Chief Inspector of Mines in Mysore.

Sir,

In continuation of my letter No. 495 dated 5th July 1922 representing to Government the hardship caused to the staff by the abolition of the office of the Inspector of Explosives, and requesting for a suitable modification of their orders, I now, beg to bring the following facts -- regarding my own hard case for the kind consideration and favourable orders of Government.

1. It is stated in the Government Order that I may be retired on a compensation Pension; but this according to Article 296, Mysore Service Regulations is inadmissible to a Gazetted Officer, Besides, I have not completed 55 years of age or 30 years of qualifying service to entitle me to a superannuation or retiring pension as the case may be.

2. I reached the maximum of Rs. 700/- in the grade 400-30-700 only on the 1st of March 1921 and have not put in 3 years of service on the maximum pay to entitle me to a pension of half my present pay viz., Rs.350/-.

3. I have not utilized much of the leave I am entitled to, except privilege leave for short periods, during my past service of over 27 years and have not availed myself

of any privilege leave since April 1918.

4. I have still 25 months more year and am entitled to 2 years furlough and 4 months privilege leave, which if kindly sanctioned will entitle me to the full pension of Rs.350/-

5. For the above reasons I request that the orders made in my case may kindly be reconsidered. If however, Government are not in favour of continuing the appointment in spite of my representations already made, I request that in consideration of my past good services and the disadvantage and hardship I am put to, I may be employed in any other capacity until I complete my 55th year, or granted a pension of Rs.350/- being half the pay I am now drawing, on the expiry of the privilege leave I am entitled to, or, granted 2 years combined leave which is to my credit, the abolition of the appointment taking effect after the expiry of the leave.

6. In this connection I beg leave to state that such consideration has been shown in the case of other officers placed under similar circumstances and that similar treatment may kindly be accorded to me, and that I be granted 2 years combined leave prior to retirement to compensate in part for the loss I sustain.

7. Under the circumstances, I humbly pray that Government, in consideration of the disadvantage and injury caused to my interests, will be graciously pleased to sanction my above request.

I have the honour to be,

Sir,
